

Campervan Name: VW T5 Styleline 2 Campervan

Description: We converted this beautiful 65 plate VW Transporter T5 in December 2016 for its current owners and we are selling it on their behalf while we build them another one. It was converted in beige linen furniture with high gloss marmara blue worktop and table, it has a mid-mounted Titan M1 tested seat bed, heated front single captain seats on swivel bases and all seats were re-trimmed in cream leather with twin blue alcantara stripes and piping, it is loaded full of spec including a Webasto Airtop 2000s diesel heater with multi controller and one of our 100w flat bonded black solar panels.

Externally we have just fitted a brand new set of 20" Calibre CC-I alloy wheels with load rated tyres, front and rear sportline spoilers and a set of 60mm stainless steel side bars. It is a Highline vehicle so comes with all the usual Highline spec including Air-Con, Cruise control, reverse parking sensors and front fog lights, for security it is fitted with a Thatcham category 1 approved alarm and immobiliser. Internally it has cab area comfort pack, leather steering wheel and an upgraded DAB touch screen radio with Bluetooth connectivity and Sat Nav.

First registered 3rd October 2015 so is just coming up to four years old, it has two owners from new and is the 140PS version featuring the six speed gearbox, it has covered 44,000 miles from new and will come fully serviced and with 12 months MOT. It is available now for £36,500.
